Dear Mr. Frey:

In accordance with Office of Management and Budget Circular No. A-19 (revised), enclosed are the Agency's proposed comments on H. R. 1082, the Omnibus Intelligence and Security Improvements Act, which was recently introduced by Representative Bob Stump, Ranking Minority Member, House Permanent Select Committee on Intelligence. These comments are being submitted for your advice as to whether they are in accordance with the President's program.

As you may know, Mr. Stump requested the Administration's formal views on H. R. 1082 in a letter addressed to Robert McFarlane, which also was forwarded to other agency and department heads interested in this legislation. We understand that individual agencies will be permitted to submit their comments directly to Mr. Stump following OMB clearance; hence we submit our response for this purpose.

Please let me know if either I or of my office, can be of further assistance on this matter.

Sincerely,

STAT
